

Frontier offers a wide and complete range of stylish and durable furniture which is cost-effective and of the highest quality. We value our customers and have gained their trust through the years of being present in the industry. We define customer centricity by delivering quality to all.

Our membrane shutters are designed in such a way that it becomes easy to maintain. Available in a variety of combinations in colours, styles and themes, membrane shutters are a great choice for kitchen cabinets, wardrobes and entertainment units. The technology that Frontier uses to manufacture membrane shutters ensures the best of quality and precision to meet the design specifications of our customers.
